STATUS INQUIRY

Dear Sir:

The above-identified pending U.S. patent application was filed on 12 December 1997. The postcard that accompanied that application was returned to us with a bar code sticker that assigned 08/989,352 as the application serial no. and 12 December 1997 as its filing date. A copy of that return postcard is enclosed.

The above-identified pending U.S. patent application was filed without a fee, without the inventor's oath and without the

verified statement claiming small entity status. Accordingly, a Notice to File Missing Parts - Filing Date Granted should have been issued for this pending U.S. patent application. We have not received a Notice to File Missing Parts for this application.

It is respectfully requested that this matter be investigated and a Notice to File Missing Parts for this pending U.S. patent application be issued in due course.

Respectfully submitted,

Charles N. Quinn
